Printing advice:

Very high quality:

They have a sister-company, LUMAS, with a shop here in Zurich – always worth going to for inspiration on how to print your photos:

Good quality:

[Printer centre of the ETH](#) it is relatively cheap to print pictures. The A4 is 8 francs and the A3 is 12.

-and there are plenty other, slightly cheaper options (Migros, Photobox, etc).

Dennis Hansen owns this printer, and with the correct motivation may be able to help you:
